

Udaan 2024 – Freshers' Welcome

Date: April 2, 2025

Time: 3:00 PM

Venue: Surtech (Dr. Sudhir Chandra Sur Institute of Technology and Sports Complex)

Objective: To create a vibrant and welcoming atmosphere for the incoming first-year students as they begin their academic journey.

Report: April 2, 2025 , the college grounds hosted "Udaan," a grand Freshers' Welcome ceremony. Organized by the Institutional Cultural Committee in collaboration with the Department of Basic Science and Humanities, the event was a spectacular blend of artistic performances and competitive spirit.

The evening's centrepiece was the Mr. and Ms. Fresher competition, where newcomers were evaluated on their academic aptitude and creative talents. Following a thorough deliberation by the faculty judging panel, Aiswarika Roy (CSE DS) and Arghyadeep Mishra Computer Science Engineering (AI & ML)—were crowned Ms. Fresher and Mr. Fresher, respectively.

To ensure an engaging experience for all, the program featured a diverse lineup of cultural activities. This included choral music, choreographed dance routines, poetry recitations, and dramatic sketches. These performances highlighted the immense talent and creative energy inherent in our student body. The celebration was further enhanced by the distribution of special gifts and refreshments. The festivities reached a peak with a high-energy live band performance by renowned artists, which saw students and faculty alike dancing to popular hits.

Outcome: The Freshers' Welcome concluded on a high note, with students expressing deep appreciation for the warm reception. Beyond showcasing individual talents, the event successfully built a strong sense of community and school spirit among the new batch.
