## Report on Celebration of 17th Foundation Day of the Institute

### Organized by:

The Community Connect (NSS and NCC) Club in association with Biosystems and Ecology Club

**Dr. Sudhir Chandra Sur Institute of Technology and Sports Complex**

**Date:** 10th August 2026

**Location:** Nearby Hanuman Mandir Area

**Occasion:** 17th Foundation Day of the Institute

The Community Connect (NSS and NCC) Club in association with Biosystems and Ecology Club of Dr. Sudhir Chandra Sur Institute of Technology and Sports Complex celebrated the **17th Foundation Day of the Institute** on 10th August 2026 through a meaningful community service initiative comprising **tree plantation and food distribution** in the nearby Hanuman Mandir area. The programme was organized with the objective of celebrating the institution's foundation day by extending its commitment towards environmental sustainability and social responsibility.

The initiative reflected the institute's dedication to serving society and encouraging students to actively participate in activities that contribute to a cleaner, greener, and more caring community. The programme was carried out with the active participation of students, faculty members, and staff.

### Event Overview

The Foundation Day programme began with a **tree plantation drive** in the vicinity of the Institute campus area. Students, faculty members, and staff actively participated in planting saplings and creating awareness about the importance of trees in maintaining ecological balance.

The plantation activity highlighted the institute's commitment to environmental protection and sustainable development. Participants were encouraged to take responsibility for nurturing the planted saplings and to spread awareness about the importance of greenery in the community.

Following the tree plantation activity, a **food distribution programme** was organized for people in and around the nearby Hanuman Mandir area. Freshly prepared **khichuri and alur dom** were distributed among the local people as part of the institute's community outreach initiative.

The programme provided an opportunity for students and members of the institute to interact with the local community and understand the importance of empathy, service, and social responsibility. The combined initiative of environmental conservation and food distribution made the Foundation Day celebration purposeful and socially meaningful.

### Event Outcomes

The Foundation Day celebration achieved several positive outcomes:

- The tree plantation activity contributed towards increasing greenery in the local surroundings and promoted environmental consciousness.
- Students gained practical experience in participating in community-based environmental initiatives.
- The distribution of khichuri and alur dom provided a meal to people in the nearby community.

- The programme strengthened the spirit of community service and social responsibility among participating students.
- The initiative enhanced interaction and goodwill between the institute and the surrounding community.
- The celebration provided a meaningful way to commemorate the 17-year journey of the institute through service to society.

The **17th Foundation Day celebration of Dr. Sudhir Chandra Sur Institute of Technology and Sports Complex** was observed in a meaningful and socially responsible manner on 10th August 2026. The combination of **tree plantation and food distribution** demonstrated the institute's commitment to environmental sustainability, community welfare, and holistic student development.

The programme successfully conveyed the message that an institution's foundation day is not merely an occasion for celebration but also an opportunity to give back to society. The initiative reinforced the values of **service, compassion, environmental responsibility, and community engagement**, making the 17th Foundation Day a memorable and purposeful occasion.
