Report on Industrial Visit of CSE and CSE-Allied 2nd Year Students to Euphoria Genx Kolkata on 15th September, 2026

Organized by
Department of CSE and CSE-Allied
Dr. Sudhir Chandra Sur Institute of Technology and Sports Complex

Title: Industry Visit

Industry Name: Euphoria GenX, Salt Lake, Sector V, Kolkata

Date: 15/09/2026

Number of Participants: 31

Batch: 2nd Year CSE and CSE-Allied

Objective:

To provide students with practical exposure to ongoing industrial project work and enable them to understand the application of academic knowledge in real-world IT projects and professional environments.

Activity:

An **Industry Visit** was organized by the Department of CSE and CSE-Allied, Dr. Sudhir Chandra Sur Institute of Technology and Sports Complex, at **Euphoria GenX, Salt Lake, Sector V, Kolkata, on 15th September 2026**. The visit was attended by the students of **B.Tech. CSE and CSE-Allied 2nd Year**. A total of **31 students**, accompanied by faculty members of the department, participated in the visit.

During the visit, the students had the opportunity to observe practical project work being carried out in a professional industry environment. They were introduced to a **live software project developed for a foreign client**, which provided valuable insights into real-world software development, project execution, and deployment practices. The students actively observed the various stages of project development and gained practical knowledge about the functioning of the IT industry.

The visit was an enriching and informative experience for the students. They showed great enthusiasm and interest throughout the programme. The exposure to real-life industrial practices enhanced their understanding of the IT sector and motivated them to explore professional opportunities and pursue their careers in the **Information Technology sector**.

Outcome:

The students gained practical knowledge about **current technology trends, database connectivity, real-life software development, project deployment, testing, and quality assurance processes**. They also visited the **Research and Development (R&D) section**, where they gained an understanding of testing and related activities. The visit helped bridge the gap between theoretical learning and industrial practices and enhanced the students' awareness of professional requirements and career opportunities in the IT sector.
