

Detailed Report on World Earth Day Celebration 2026

Organized by: NCC Sub-Unit, SurTech, 2 Bengal Battalion, NCC (WB & Sikkim DTE)

In Collaboration with: NSS Unit, SurTech

Institution: Dr. Sudhir Chandra Sur Institute of Technology and Sports Complex (SurTech)

Date: 22nd April 2026

Time: 11:30 AM onwards

Venue: SurTech Campus

1. Introduction

World Earth Day, observed on 22nd April every year, emphasizes the need to protect our planet and promote sustainable practices. To mark this occasion, Dr. Sudhir Chandra Sur Institute of Technology and Sports Complex organized a meaningful and action-oriented programme involving NCC Cadets and NSS Volunteers.

The event reflected a strong commitment towards environmental responsibility through awareness initiatives and practical activities such as plantation drive.

2. Objective of the Programme

- To spread awareness about environmental protection
 - To promote sustainable and eco-friendly practices
 - To encourage student participation in social and environmental service
 - To contribute to a greener and cleaner campus
 - To develop a sense of responsibility among youth towards nature
-

3. Inaugural Session

The programme began at 10:00 AM in the presence of:

- **Respected Principal Sir**
- **Respected Registrar Sir**
- **NCC Coordinator**
- **NSS Coordinator**

Their motivational addresses highlighted the urgent need for environmental conservation and inspired students to actively participate in the day's activities.

4. Major Activities Conducted

4.1 Awareness Programme

Students were sensitized about:

- Climate change and environmental degradation
 - Importance of conserving biodiversity
 - Waste management and recycling practices
 - Reducing plastic usage and conserving resources
-

4.2 Tree Plantation Drive (Conducted on 22nd April 2026)

A tree plantation programme was successfully conducted today as a key highlight of the event.

- NCC Cadets, NSS Volunteers, and coordinators actively participated in planting saplings across designated areas of the campus.
- The activity was carried out under the guidance of faculty members and in the presence of the respected dignitaries.
- Various types of saplings were planted with the aim of increasing green cover and improving environmental quality within the campus.

- Participants were also encouraged to take responsibility for nurturing and maintaining the planted trees.

This initiative symbolized a strong commitment towards **afforestation and environmental sustainability**, making it one of the most impactful components of the programme.

4.3 Awareness Campaign

Students spread awareness on:

- Minimizing plastic use
 - Saving water and electricity
 - Adopting sustainable daily habits
-

5. Participation and Involvement

The programme witnessed enthusiastic participation from:

- **NCC Cadets**
- **NSS Volunteers/Students**
- **NCC & NSS Coordinators**

Their teamwork, discipline, and dedication ensured smooth execution of all activities.

6. Role of Dignitaries

The presence of **Respected Principal Sir and Registrar Sir** greatly motivated the participants. Their guidance and encouragement reinforced the importance of environmental responsibility among students.

7. Outcomes of the Programme

- Enhanced environmental awareness among students
 - Successful plantation contributing to campus greenery
 - Improved cleanliness and hygiene in the campus
 - Strengthened coordination between NCC and NSS units
 - Encouraged long-term commitment towards sustainability
-

8. Conclusion

The World Earth Day Celebration 2026 at SurTech was a grand success. The inclusion of the **tree plantation drive conducted today** added practical value to the event, transforming awareness into action.

The programme concluded with a strong message that **every small effort contributes to protecting our Earth**, and collective action is essential for a sustainable future.

9. Acknowledgement

The organizing committee extends heartfelt gratitude to:

- **Respected Principal Sir and Registrar Sir**
- **NCC and NSS Coordinators**
- **All NCC Cadets and NSS Volunteers**

for their support, guidance, and active participation in making the event successful.
