

**Memorandum of Understanding (MOU) between The Neotia University and Dr Sudhir Chandra Sur Institute of Technology and Sports Complex**

**Date:** 06<sup>th</sup> January, 2026

**Venue:** Conference Room, The Neotia University

We are pleased to inform that Dr Sudhir Chandra Sur Institute of Technology and Sports Complex and The Neotia University signed a MOU on 06/01/2026 for the purposes of academic and infrastructural exchange programs.

The MOU signing ceremony was organised at the premises of The Neotia University (TNU). On behalf of TNU, Honourable Registrar, Dean Academic and Director of School of Science and Technology were present in the event. From the end of Dr Sudhir Chandra Sur Institute of Technology and Sports Complex, the IQAC convenor and IIC coordinator were graced the occasion.

During the process of discussion, all the dignitaries discussed about the possible different ways of collaborations. We can proceed with some specific students exchange programs through AICTE IDEA lab, SurTech Drone Academy and SRIC. Also the skill development hub at TNU can be shared mutually.

**Probable outcomes of the Event:**

- 1 Students and faculty exchange program
- 2 Exchange and shared uses of Engineering facilities
- 3 Combined FDPs
- 4 Sharing thoughts on quality improvement policies.
