

Report on One Day Offline Hands on Workshop

Title: “Training Session for CASIO’s Latest Scientific Calculators”.

Dates: 21/01/2026

Time: 2.30 PM to 5.30 PM

Venue: Auditorium Hall (317) ,Dr. Sudhir Chandra Sur Institute of Technology & Sports Complex (SurTech), Dum Dum, Kolkata.

Organized by: Department of Basic Science & Humanities, Dr. Sudhir Chandra Sur Institute of Technology and Sports Complex (An Autonomous Institution), JIS Group in collaboration with Casio Team India., Kolkata.

Mode: Offline

Number of Participant: 110

Introduction:

The Department of Basic Science & Humanities, Dr. Sudhir Chandra Sur Institute of Technology and Sports Complex (SurTech), in association with CASIO India, successfully organized a **One-Day Workshop on a Training Session for CASIO’s Latest Scientific Calculators** on **21st January 2026 at 2:30 PM onwards**. The programme was held at the **SurTech College Auditorium (Room No. 317)**.

The workshop was designed to bridge the gap between traditional calculation methods and modern digital tools by introducing participants to the latest scientific calculators developed by CASIO. The session provided an excellent opportunity for both students and faculty members to interact directly with the CASIO India team and gain practical insights into the effective academic use of advanced calculator technology.

List of Eminent Speakers:

1. **Mr. Akhilesh Dubey**, Sr. Asst manager, Institutional Training Department, Casio India
2. **Mr. Sanjoy Misra**, Sales Manager - East Zone, Casio India.

Objectives:

The primary objectives of the workshop were as follows:

- To familiarize students and faculty members with CASIO’s latest scientific calculator models.
- To demonstrate advanced features and functionalities useful for higher education, science, engineering, and mathematics.

SurTech

Dr.Sudhir Chandra Sur Institute of Technology and Sports Complex

(Formerly Known as Dr.Sudhir Chandra Sur Degree Engineering College)

540, DumDum Road, Surer Math (Near Dum Dum Jn. Station), Kolkata-700074

Phone: +91 22 25603889, 25603898, 65330375

Website: www.surtech.edu.in; Email-info@dsec.ac.in

- To enhance problem-solving efficiency through the effective use of scientific calculators.
- To promote the use of modern digital tools in classroom teaching and learning practices.
- To provide hands-on training and real-time demonstrations by experts from CASIO India.

Proceedings of the Event:

The workshop commenced at 2:30 PM with a brief welcome address by the Principal Sir and Registrar Sir from our college. The importance of adopting updated technological tools in academics was emphasized, especially in improving calculation accuracy and saving time during teaching and examinations.

The CASIO India team conducted an interactive training session, explaining the features, modes, and applications of the latest CASIO scientific calculators. Live demonstrations were carried out, covering topics such as algebraic calculations, trigonometric functions, statistics, calculus-based operations, and matrix calculations.

Participants were encouraged to actively engage during the session, ask questions, and practice using the calculators under expert guidance. The session maintained a highly interactive and learner-friendly environment.

Learning Outcomes of the workshop:

- Enhanced understanding of advanced calculator functionalities among students and faculty.
- Increased confidence in using scientific calculators for complex academic problem-solving.
- Improved awareness of how calculator technology can support effective teaching methodologies.
- Strengthened collaboration between the institution and CASIO India.
- Motivation among participants to integrate modern calculator tools into regular academic practice.

Key Highlights

- Detailed demonstration of CASIO's latest scientific calculator models.
- Hands-on practice sessions for students and faculty members.
- Explanation of calculator functions relevant to engineering and science curricula.
- Tips on efficient calculator usage for classroom teaching and examinations.
- Interactive question-and-answer session with the CASIO India experts.
- Direct exposure to industry-supported academic tools.

Participant Feedback:

The workshop received highly positive feedback from participants, who praised the quality of the sessions, the relevance of the topics, and the valuable insights shared by industry experts with hands-on experience.

Acknowledgement:

The organizers extend their heartfelt gratitude to Dr. Sudhir Chandra Sur Institute of Technology and Sports Complex (SurTech), JIS Group, and Casio India Team, Kolkata for their collaborative efforts in making this workshop. We sincerely thank all the resource speakers for their invaluable contributions and for generously sharing their expertise with our participants.

We acknowledge the unwavering support of the faculty members of the Department of Basic Science & Humanities, Prof. (Dr.) Saradindu Panda, Principal, DSCSITSC, Registrar Sir, SurTech and Management of JIS Group for their constant encouragement and guidance.

Conclusion:

The One-Day Workshop on CASIO's Latest Scientific Calculators proved to be an informative and enriching experience. The initiative taken by the Department of Basic Science & Humanities, in collaboration with CASIO India, significantly contributed to enhancing the technical competency of students and faculty members.

The organizing committee, under the coordination of Dr. Dipankar Das (Coordinator) and Dr. Biswajit Das (Co-Coordinator), ensured the smooth conduct of the programme. Such workshops play a vital role in keeping the academic community updated with modern technological advancements, and similar initiatives are highly recommended in the future.
