## Report of Seminar Session on Study Abroad Benefits and The Way for It

Organized by

**Department of Civil Engineering of Dr. Sudhir Chandra Sur Institute of Technology and Sports Complex**

**Title:** Seminar session on study abroad benefits and the way for it

**Speakers:** Sangeeta Das, Disha Roy Chowdhury

**About the Speakers:** Marketing Manager, IMPERIAL – Overseas Educational Consultant

**Date and Time:** 18/09/2024, 12.30 PM Onwards

**Venue:** Room 307

**Number of Participants:** 80 students from All branches

**Objective:** The objective of this seminar was to provide students with an understanding of the benefits of studying abroad and to guide them on the process of applying for higher education opportunities overseas. The session aimed to demystify the challenges and opportunities related to studying in foreign universities and to present a clear roadmap for students aspiring to pursue global education.

Shiv Kumar Paswan, Marketing Manager at IMPERIAL – Overseas Educational Consultant, led the session, sharing insights about the significant advantages of pursuing higher education abroad. The session began with an introduction to global education, where the speaker highlighted the diverse academic, cultural, and professional opportunities that come with studying in international institutions.

The speaker provided a comprehensive overview of the study-abroad process, including selecting the right courses and universities, preparing for standardized tests like GRE, TOEFL, and IELTS, applying for scholarships, and managing visa processes. Shiv Kumar Paswan also explained the importance of researching different education systems, understanding the cost of living, and preparing for cultural adjustments when moving abroad.

### **Outcome:**

The seminar successfully met its objectives by providing students with valuable information on how to approach the study abroad process. Participants left the session with:

1. **Clarity on the Benefits of Studying Abroad:** Students understood how pursuing education overseas could provide better academic exposure, personal growth, and career opportunities.
