Report of Seminar session “Meet Our Study Abroad Experts in Person – Kolkata Session”

Organized by

Dr. Sudhir Chandra Sur Institute of Technology and Sports Complex (An Autonomous Institute)

In Collaboration with

Imperial Overseas Educational Consultants

Title: Seminar on “Meet Our Study Abroad Experts in Person – Kolkata Session”

Details of the Resource Person and Designation:

1. Mr. Hiren Rathod – Director & Business Head, Alumnus of Clemson University, USA
2. Ms. Sanhita Bhattacharya – Head of Thane & Kolkata Operations, Expert for USA, Europe & Canada
3. Ms. Rajani Deokar – Business Head, UK/Ireland/Dubai

Date & Time: 18th August 2025, 12:30 PM – 1:15 PM

Venue: Auditorium, SurTech

Objective: The session aimed to provide students with direct access to overseas education experts for personalized guidance on studying abroad. The primary focus was on opportunities in the USA, UK, Canada, Europe, and other global destinations, along with preparation strategies, scholarships, and financial aid support.

Brief Overview: The event was jointly organized by SurTech and Imperial Overseas Educational Consultants. It created a valuable platform for aspiring students to engage directly with top international education counsellors. The speakers shared their expertise on:

- Study abroad opportunities and career pathways in leading global destinations.
- Preparation strategies for standardized tests such as GRE, GMAT, IELTS, TOEFL, and PTE.
- Scholarship options and methods to maximize financial aid.
- Practical tips on education loan planning and application procedures.

Each expert also shared insights from their professional and academic journeys, which made the interaction engaging and relatable for the students.

Outcome: The session was highly productive and well-received. Students actively interacted with the experts, raised queries related to admission processes, funding opportunities, and future career pathways. The program successfully enhanced awareness and encouraged students to plan their academic journeys strategically. It also strengthened the institute’s efforts in equipping students with global exposure and career-oriented knowledge.
