**Report:** The Department of Electrical Engineering at Dr. Sudhir Chandra Sur Institute of Technology and Sports Complex organized a seminar on “Upskilling for Upscaling” on August 22, 2025, at the Central Auditorium, Room No. 317. The program began with an Introductory Speech by Dr. Sayantan Chakraborty, Head of the Department of Electrical Engineering, who emphasized the significance of lifelong learning and skill enhancement in the changing industrial and academic environment. Prof. (Dr.) Saradindu Panda, Principal of DSCSITSC, delivered the Welcome Address, highlighting the institution’s efforts to bridge the gap between academia and industry through such initiatives and motivating students and faculty to pursue professional growth. The keynote address was delivered by Mr. M. L. Kabir, retired General Manager & Location Head of Siemens Ltd., who shared his rich experiences in HR, Finance, and Management, stressing the importance of upskilling, technology integration, and sustainable growth. The session concluded with a Vote of Thanks by Dr. Soumen Basu, Advisor, DSCSITSC, leaving participants inspired and motivated.
